

Boston Acoustics

6.5" 2-Way In-Ceiling Speaker

CS 270

SKU: 740 UPC: 690283000000

The CS 270 from Boston Acoustics is a compact 2-way ceiling speaker that provides quality audio in a discreet and affordable package. The speaker has a 6.5" laminate film woofer and a 0.75" Mylar tweeter to deliver crisp, realistic audio with a wide frequency response. The pivoting mounting arms make installation easy. The bezel and grille are paintable to match your decor.

Features

- 6.5" Laminate Film Woofer
