KLEIN TOOLS

Test + Map Remote #4 For Scout Pro Series Testers

VDV501-214

SKU: 40119   UPC: 92644583384

This Test + Map™ cable tester smart remote will maximize your Scout® Pro and Commander® testers. This replacement remote (#4) tests, maps and identifies a location in a single step, cutting testing and identification time in half. Test voice, data and video coax cable connections using Klein's Scout® Pro and Commander® series of testers (sold separately). The remote is clearly numbered for fast, accurate identification. Up to twelve individually numbered replacement remotes are available.

Features

- Cable tester replacement remote identifies, tests and maps a location in one step when used with the Scout® Pro and Commander® series of testers
- Test voice (RJ11/12), data (RJ45) and video (coax F-connector) terminated cables
- Features an RJ45 jack to test data cables and a male F connector to test coaxial cables
- For use with Klein's Scout® Pro 2, 3 and Commander® series of testers (sold separately)
- Remote is numbered for easy identification
- Soft, slip-resistant overmold for easy gripping
- Heavy-duty recessed-jack design for durability
