

IPC815SB-ADF14K-I0 5MP Fisheye Fixed Dome IP

IPC815SB-ADF14K-I0

SKU: 110287 UPC: 810093000000

The IPC815SB-ADF14K-I0 5MP Fisheye Dome IP Camera from Uniview, has a 360 degree ultra wide angle lens therefore it can cover an extremely large field of view. In addition, the Camera is NDAA Compliant so it can be installed in Federal Government Facilities. Panoramic Cameras are particularly useful in applications where one camera needs to cover a wide area. The IPC815SB-ADF14K-I0 has a 1.4mm Lens and can be used indoors or outdoors. The Fisheye Camera can operate in extreme temperatures from -22°F to +140°F.

Weatherproof ratings on this professional grade camera are IP66 so you have protection against the elements. An IK10 Impact rating is the highest rating available for Security Cameras. In addition, this panoramic camera has a Built In Mic and also supports a Two Way Talk Function. A MicroSD Card slot is included for On Board 'Edge' Storage so your data can be stored even if your network connection is lost.
