

## Littora 1000 ICW SUB10 10" In-Wall / In-Ceiling Subwoofer

FOAMWBSUB100000

SKU: 140489

This subwoofer is the ideal complement to the 1000 ICW8 and 1000 ICW10 loudspeakers. It brings power and dynamics to your installation for sensational listening, even at high volume levels. Like a diver's watch, it has been rigorously developed for use in extreme conditions, such as yachting and wet environments, but also for residential, indoor and outdoor use.

### Features

- High-end sound and excellent power handling
- Developed in France
- Certified IP65 waterproofing
- Ready-to-paint white aluminium grille for limitless customisation
- Shallow mounting depth
