

300 IWLCR 6 6.5" LCR 3-Way In-Wall Speaker

FOAIFA3WL60W100

SKU: 62869 UPC: 3544060000000

Discreetly positioned both horizontally and vertically, this LCR (left, center, right) loudspeaker offers a pure Home Cinema experience, just as it ideally complements a classic floorstanding or bookshelf speaker system. Among its strengths: exclusive Focal technologies for hi-fi sound, discreet, easy installation, and an adjustable turntable that targets the listening point.

Features

- 3-way in-wall loudspeaker
- Easy and quick to install without tools
- LCR loudspeaker (left, centre and right) for uncompromising Home Cinema installations
- Adjustable mid-treble plate
- Speaker drivers designed and made in France by Focal
 - Deep frequency response in the low end and high power handling
- Very balanced mid-range for improved intelligibility for Home Cinema set-ups
- Supplied with a magnetic grille and ready to paint to ensure perfect integration
