

Pre-Construction Bracket Kit for 100ICW6 / IC6ST

FOAIACACW110000

SKU: 66522

This new-construction bracket is designed for the Focal 100 ICW 6 in-ceiling speaker. Attach the bracket to the ceiling joists before the drywall goes up to mark the speaker location for your builders. This ensures precise speaker placement and helps make your installation go smoother.

Features

- new-construction bracket for the Focal 100 ICW 6 in-ceiling speaker
- easily marks the speaker installation location
