

Bathys Noise Cancelling Headphones Hi-Fi sound French Design - Black Silver

FOAHALNOMB0B000

SKU: 146897 UPC: 3544060000000

With its wireless and active noise reduction (ANC) technologies, Bathys is the perfect travel companion. In addition to isolating ambient noise, it delivers pure high-fidelity sound thanks to its exclusive drivers and integrated USB-DAC mode. Comfortable and refined, these wireless headphones boast a battery life of over 30 hours, fast charging (5 hours of additional listening in just 15 minutes of charging) and a host of features for a total musical escape.
