Amp Multiroom Streaming Amplifier - Space Grey

WiiM-AMP-012

SKU: 156199 UPC: 602581806080

Housed in a sleek aluminum shell, the compact WiiM Amp offers versatile placement options. Inside, premium components and innovative circuitry ensure robust, crystal-clear amplification. A custom-designed heatsink ensures optimal thermal performance. Don't let its compact design fool you – it packs 60 Watts per channel at 8 ohms, and 120 Watts per channel at 4 ohms. Transform your passive speakers including floor-standing, architectural, outdoor, or bookshelf, into smart audio powerhouses.

Experience effortless control over the WiiM Amp via the Bluetooth remote, featuring built-in Alexa for voice commands. Navigate without any barriers, and easily perform actions like play, pause, track skipping, volume adjustments, and muting. Plus, enjoy one-tap access to your favorite content through customizable presets.

Featured

- Compact all-in-one streaming amplifier delivering 60W per channel at 8 ohm, ensuring superior sound quality.
