

Purple Surveillance Hard Drive - 1TB

WD10PURZ

SKU: 268 UPC: 736373291317

WD Purple drives are designed to meet the challenges of 24x7 video surveillance recording. These drives are engineered specifically for surveillance to help withstand the elevated heat fluctuations and equipment vibrations within NVR environments. An average desktop drive is built to run for only short intervals, not the harsh 24/7 always-on environment of a high-definition surveillance system. With WD Purple drives, you get reliable, surveillance-class storage that's tested for compatibility in a wide range of security systems. Exclusive AllFrame™ technology helps reduce frame loss and improve overall video playback.

Features

- Capacity 1TB
- Support for up to 64 cameras per drive
- Industry-leading storage. Surveillance you can trust
- Western Digital's Exclusive AllFrame Technology
- Enhanced Workload Ratings
- Designed for Today's and Tomorrow's Surveillance Solutions
