## 16MP 360° Panoramic & PTZ Camera 5mm

DS-2DP1636ZIX-D

SKU: 21380    UPC: 842571114805

Hikvision DS-2DP1636ZIX-D/236(5mm) PanoVu Series 360° Panoramic + PTZ Camera, is able to capture panoramic images as well as close-up images to give consideration to both panorama and details. The panoramic images are captured by eight sensors, which could realize 360° panorama monitoring. The design of integration model and high speed PTZ can offer the function of fast detail positioning over panoramic area. Furthermore, with its advanced video analysis and multiple targets tracking algorithm, PanoVu camera also features a wide range of smart functions for multiple targets within the panoramic view filed, including intrusion detection, line crossing detection, region entrance detection, and region exiting detection. The camera could also output alarm signals to link the PTZ for tracking, benefitting users with great improvement on security efficiency

### Features

- 360° splicing image: the image presented includes all scenes covered by the camera
- Panoramic camera linked to a PTZ: capturing 360° images with the panoramic camera, as well as close-up images with the PTZ camera
- the high speed PTZ can offer the function of fast detail positioning over the panoramic area
- Target filtering: based on deep learning algorithms, targets can be classified into human, vehicle and others to reduce false alarms
- A built-in heater provides ultra-low temperature start-up to -40°
