

Dual-Lens People Counting Network Camera 2mm

DS-2CD6825G0/C-IS

SKU: 25176 UPC: 842571000000

Hikvision's DS-2CD6825G0/C-IS is a specialized people counting camera that supports the separate counting of people entering, exiting, and passing by a given area. The camera combines basic event technology, such as motion detection and video tampering alarm, and people counting technology, such as height filtering. This model is designed for indoor use.

Features

- 1/2.7" Progressive Scan CMOS
- Up to 1920 x 1080 Resolution
- 2 mm Fixed Lens
- H.265+, H.265, H.264+, H.264
- 3D Digital Noise Reduction
- 12 VDC, PoE (802.3af), 8 W

Image Sensor	1/2.7" progressive scan CMOS
Minimum Illumination	Color: 0.0176 lux @ (f/2.25, AGC on), B/W: 0.0035 lux @ (f/2.25, AGC on)
Shutter Speed	1/25 s to 1/100,000 s
Day/Night	IR cut filter
WDR	Digital WDR
Focal Length	2 mm fixed lens
Aperture	f/2.25
FOV	Horizontal FOV: 104.5°, vertical FOV: 70.5°, diagonal FOV: 112°
IR Range	Up to 20 ft (6 m)
Maximum Resolution	1920 x 1080
Basic Events	Motion detection, video tampering alarm, exception (network disconnected, IP address conflict, illegal login, HDD full, HDD error)
People Counting	Separately counts people entering and exiting a specified area. Supports real-time uploading and uploading by statistical cycle. Sends daily, weekly, monthly or annual email reports. Supports target filtering by height
Region of Interest	Four fixed regions for main stream and sub-stream
Simultaneous Live View	Up to 20 channels
