

SAMSUNG

75" The Frame Pro LS03FWF QLED 4K
Art Mode Vision AI Smart TV (2025)

QN75LS03FWFXZA

SKU: 161101

Samsung's most advanced Art TV blurs the lines between showpiece and entertainment for art and movie lovers alike. The modern, slim-bezel frame, matte screen and wireless connection allow you to create a clutter-free gallery experience at home, featuring a selection of world-renowned artwork. Whether you're beholding a masterpiece or curling up to watch your favorite movie, enjoy spectacular, 4K Neo QLED picture and sound quality, along with personalized TV experiences powered by Samsung Vision AI.

Features

- Your TV disguised as a stunning work of art with a picture frame-like bezel and a wireless **design that keeps your space beautifully clutter-free.
- Showcases curated art from the Art Store or from your own collection when you're not watching TV.
- Mini LEDs enhance contrast and brightness for spectacular picture. Plus a matte screen and expert validated colors for museum-worthy art.
- TV tailored to you with AI-enhanced picture & sound and new personalized experiences.
- A virtually glare-free screen with subtle texture so your art looks like a real print.
