

SSF Duplex OM3, Riser Indoor 1000' Spool - Aqua

D50125MOM3R

SKU: 161368

The D50125MOM3R Duplex Fiber Cable is a 50/125 multimode OM3 cable, designed with a zipcord construction featuring two 3.0 mm riser cables. The cable's zipcord construction allows easy separation of the fiber strands if desired. The SSF™ Duplex cable is fully compatible with all common connector systems for standard multimode 50/125 fibers. The included SSF™ fibers provide extreme durability and strength, with up to 10,000 times the bend insensitivity of traditional fiber.

Features

- Zipcord construction - easy to separate strands
- High mechanical strength, superior fatigue (Nd = 30)
- Compatible with common connector systems for 50/125 multimode fibers
- Up to 10,000x the bend longevity of traditional fiber
- Integral SSF™ coating provides glass protection
- Increased safety due to incredible bend insensitivity
- Exclusive 250 μ m Soft Peel acrylate
