

Outdoor Fiber Optic Plastic Enclosure

SSF-OTB2

SKU: 161388

The SSF-OTB2 Outdoor Plastic Enclosure is a compact, durable solution designed to protect fiber terminations in outdoor environments. Accommodating up to 2 feed-thru adapters. Constructed from high-quality PC + ABS material, ensuring waterproof and dust-proof protection up to IP65 standards. This enclosure features a secure closure, an internal winding area, and optimized cable management for efficient organization. Its dimensions are 6.5 in (16.5 cm) H x 4.75 in (12.1 cm) W x 1.19 in (3.0 cm) D, making it ideal for space-constrained installations.

Features

- Accommodates up to 2 feed-thru adapters (2 SC Simplex or 2 LC Duplex Adapters)
- Durable plastic construction
- Included winding area
- Compatible with standard adapters for fiber optic connectors
- Secure closure
- Optimized cable management
- PC + ABS material, waterproof, dust-proof, protection up to IP65
- Wall Mounted
