

HIKVISION®

7" Touch Screen Indoor Video Intercom Station

DS-KH6320-WTE2

SKU: 35097 UPC: 842571000000

Implement remote access control and video intercom functionality in your surveillance system with the DS-KH6320-WTE2 7" Indoor Video Intercom Station from Hikvision. The DS-KH6320-WTE2 enables users to view live video from Hikvision door stations and external cameras. It features a 7" capacitive TFT LCD touchscreen with a 1024 x 600 resolution, a built-in speaker and omnidirectional microphone with noise suppression and echo cancellation for the best possible audio, and Wi-Fi connectivity.

Features

- Two-pin wire for power supply and network access
- Embedded Linux OS
- Slim design
- Enables remote access control and video intercom functionality
- Remote unlocking via client software or mobile client
- 7" TFT LCD touchscreen with 1024 x 600 resolution
- 802.11b/g/n Wi-Fi
- Built-in omnidirectional microphone and speaker for two-way talk
- Noise suppression and echo cancellation
- Eight alarm inputs and two relay outputs

Processor basic frequency	1 G
Memory	128 MB
Flash	16 MB (32 MB hardware compatibility)
Operation system	Embedded Linux operation system
Display screen	7-inch TFT LCD
Display resolution	1024 × 600
Audio Input	Build-in omnidirectional microphone
Audio output	Built-in loud speaker
Wired network	BroadR-Reach
Wireless network	Wi-Fi 802.11b/g/n
Network interface	Two-wire interface
Alarm input	8 zones alarm input
Relay output	2
Dimensions	7.87" × 5.51" × 0.59"
