

Z-Wave Network Management Tool

ZW-PRO

SKU: 66073 UPC: 810065000000

The ZW-PRO is a Professional Network Management Tool for use with Z-Wave wireless networks.

RTI Z-Wave Lighting Solutions

For the ultimate in home automation, RTI Z-Wave lighting control solutions provide easy management of the lighting in and around a home. Enjoy the convenience of intuitive control from an in-wall smart switch, RTI user interface, smart phone, tablet or PC. Experience the added security and energy savings of automated lighting and event-based control that requires no interaction at all.

Features:

- Models available to meet most installation and load requirements.
- Wireless control requires a compatible two-way RTI control processor and Z-Wave interface module.
- RTI Z-Wave devices are available exclusively in North America.
- Integration Designer software only available to authorized RTI dealers.
