## 8 Outlet Vertical Power Distribution

VT-EXT

SKU: 12767    UPC: 5061600896

Panamax 8 outlet power strip designed specifically to be mounted to the vertical leg section of an equipment rack. This is the perfect way to extend the protection and filtration from an existing Panamax or Furman power conditioner.

Simply attach mounting clips in desired location for an easy installation. Snap the VT-EXT into clips for a sturdy and secure fit and plug into a Panamax/Furman power conditioner. The plastic spacers in clips provide ground isolation from the rack.

### Features

- 8 AC outlets, 3 with transformer spacing.
- Heavy duty detachable 10 foot, 14 AWG power cord with security retention bracket.
- 12 amp re-settable circuit breaker.
- Ground isolation from equipment rack provided by plastic spacers in mounting clip hardware.
- One (1) year limited product warranty.
